

CERTIFIED APPLICATOR TRAINING INFORMATION

WHY SHOULD I BECOME A CERTIFIED APPLICATOR?

Cerakote is a professionally applied OEM finish, it is not a DIY finish. You will learn the correct way to apply Cerakote, and after attending our 2-day interactive course, you will become a factory trained Cerakote Certified Applicator.

WHERE DO I GET TRAINING?

You will receive individual training at our state-of-the-art facilities in White City, Oregon. Our training courses are two full days. They are hands-on, comprehensive, and designed to educate you on all aspects of becoming a successful Cerakote Certified Applicator. We hold courses Monday-Tuesday and Thursday-Friday. We can offer customized classes tailored to meet your specialized needs, or hold off-site classes as requested.

WHAT WILL I LEARN?

You will gain valuable knowledge and experience in:

- Correct Preparation by Substrate
- Various Methods of Degreasing
- Proper Racking
- Coating Selection
- Basic to Advanced Spray Gun Techniques
- In-Depth Application Methods
- Curing Procedures

- Stenciling & Camo Techniques
- Advice on Equipment & Operation
- Problem Solving & Troubleshooting
- Project/Job Costing
- Marketing Strategies
- Robotics (by request)
- Overview of Cerakote Products

ARE THERE ANY OTHER BENEFITS OF BECOMING A CERTIFIED APPLICATOR?

Yes! There are several. Over 300,000 people visit our website each month to view projects and look for applicators. Our entire marketing strategy revolves around driving these potential customers to you.

You benefit from our in-house, expert marketing team. We invest heavily in Google and Bing Ads, Youtube, as well as social media sites like Facebook, Instagram, Twitter and Pinterest.

IN ADDITION:

Note: To take advantage of these benefits, please call in your order at 1-866-774-7628

You will receive free ground shipping on all orders over \$200**

You will receive 30% off all Cerakote 4oz single Testers

You will receive 20% off all equipment and swag

New colors are free (Tester size for the first 30 days with your next order. Limited Editions and Special Offer coatings may be excluded.)

You will have an interactive listing on our Certified Applicator Map* with the following features:

- Your own photo gallery of your best work within our Gallery
- Your contact information, along with a bio and testimonials
- Direct linking to your website and or Facebook/Instagram page

HOW MUCH IS IT?

The cost of the training class is \$2,150 for the first person, \$1650 for the second and \$1,150 for each additional.

A \$1,000 deposit secures your class dates

Upon receipt of the deposit, your company is placed as "Coming Soon" on our Applicator Map*.

It is not required to bring any training parts to the class, as we have numerous parts available from various industries. However, It can be beneficial to bring items related to your industry to cover any specific training needs and requirements.
