

PRISMATIC'S COLOR PROGRAM SERVICE

Need help finding a color? We have made it easier than ever!

Your color match begins with our Color Library Search. **There is a \$49.95 non-refundable service charge per color requested to be matched, plus shipping. The payment for this service is due before starting the Prismatic Color Library Search.** We will search through our extensive color selection where we will choose the closest match, then send you the swatch or swatches of those best matches. We will ship color swatches via 2nd Day Air.

Once you have reviewed and completed the form, you are ready to start this process. Please include a copy of the form and ship it with your item.

Ship to:

Prismatic Powders -Color Program
7050 6th Street
White City, OR 97503
866-774-7628

If the Prismatic Color Library Search does not provide an acceptable match, we do offer New Color Development.

There is a \$1500 non-refundable service charge per color requested to be matched.

New Color Development can take up to 8-10 weeks to complete.

We cannot always guarantee an exact match or color-specific requests, but we will consult with our lab to be sure that we can meet your requested requirements.

If interested, please reach out to colormatch@prismaticpowders.com for more information.

Thank you for choosing Prismatic Powders
